THE KOREAN AFFAIR

Japan Acted With Great Moderation in Matter

COMPLETE INCAPACITY SHOWN

The Forced Abdication Was Discussed Long Before the War Between Russia and Japan—Japan Considered Entitled to the Fruits of War.

CHICAGO, July 22.—A dispatch to the Tribune from Washington says:

It is the opinion of diplomats here that after the first natural disturbances are quelled, Korea will be much the gainer for the actual transfer of its control to the Japanese. For a generation Korea has been disturbed with all sorts of feuds. The Emperor, who was just deposed, and his two sons have manifested a complete incapacity for the science of government. Long before the war between Japan and Russia it was evident to every student of Oriental affairs that Korea was destined to be wiped off the map and that too at no distant period. Oriental students say it was much better for Korea that the change of sovereignty should be to the Japanese and not to some European nation. The Japanese are affiliated with the Koreans in a thousand different ways and the two nations amalgamate a great deal more certainly than if the Emperor of Korea had been forced to abdicate in favor of a Caucasian government.

All reports indicate that the Japanese acted with great moderation. They planned to take over Korea at the outset of the war with Russia. The forced abdication of the Emperor was discussed a long while ago. There has been a practical understanding for nearly a year between all the great powers that Japan was entitled to the fruits of victory in Korea, as it was evident that the antiquated empire could not possibly maintain itself.

CUBAN JOAN OF ARC.

Death of Famous Woman of Cuba at Age of 70 Years.

NEW JULY, July 22.—Cable advices from Havana, Cuba, announce the death of Senora Juan Quesada, the Cuban Joan of Arc, at the age of 70 years.

Senora Quesada was the best known woman in the island. She came of a good family but despite the comfort and luxury which her circumstances gave her, she chose to aid her countrymen in the field and wielded a machete in the ten years' struggle against Spain, but her bravery and the standing of her family made her the best known.

Patrick S. Gilmore, who in those days conducted the Twenty-second Regiment band at Manhattan Beach often publicly honored the woman patriot by playing the Cuban national hymn whenever Senora Quesada was in the audience.

G. B. Burhans testifies After Four Years.

G. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." T. F. Laurin, Owl Drug Store.

PUTS END TO PRESS RATES.

Railroad Commission Declares Telegraph Companies Violate Anti-Pass Law.

AUSTIN, Texas, July 22.—The railroad commission asserts that it has authority under the anti-pass law which went into effect Friday, to assume jurisdiction over the rates of telegraph and telephone companies within the state. The question has been referred to the attorney general for an opinion.

Commissioner Colquitt holds that the anti-pass law is violated by the telegraph companies when they give a lower rate to newspapers for news matter than to other patrons.

The Charming Woman

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clear smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at Charles Rogers, druggist, 50c.
